

Subject: Student Health Plan – COVID-19 Update

Hi **[NAME]**,

On behalf of your student association, we'd like to share some important information about your student Health & Dental Plan as it relates to the new coronavirus (COVID-19).

With presumptive and confirmed cases in various provinces across Canada, we thought we would share answers to the most commonly asked questions **for those covered by the Travel Plan**. [Click here](#) for the FAQ, which will be continually updated as we monitor the situation.

In partnership with Dialogue, a virtual platform that provides progressive health care online and via your mobile phone, Studentcare also wishes to announce access to *Chloe* by Dialogue.

We encourage all Plan members to [consult Chloe](#), a free, automated online medical assistance tool created by Dialogue to provide the latest public health-care information to help prevent COVID-19 infection.

Here are some additional recommended sources of information:
