This application is for a: Appeal of a DIE Board Decision

Reason

I was informed by the speaker that since I have missed 50% of the council roll calls that I am to be expelled from council. I understand I have violated this bylaw, however the speaker was made aware of the reasons for my poor attendance earlier in the summer. As a nursing student I was recruited to work as an Immunizer for the COVID-19 Vaccine Campaign and have been working overtime hours since late April. Many of my shifts go until 6 or 8pm and because of this I have had to miss many meetings. I do understand that rules are rules, but I hope the DIE board can see that my duty as a healthcare worker was a priority at this time and that my work is essential in Alberta's pandemic response. My employment with the COVID-19 Vaccine campaign will end at the end of August and I can resume to attending council meetings regularly.

Anticipated Witness Philip Miheso (SU Council Speaker)
