

UASU 2024 Council Election Expense Report Summary

Overview

Regulation 320.15 sets the formula that determines campaign expense limits by faculty. Bylaw 320 section 17.2 levies fines against campaign expense limits. Regulation 320.15 section 02.3(a) automatically disqualifies candidates whose combined expenses and fines exceed their expense limits. GST is not counted toward limits. Students running for both Students' Council and GFC have two separate and identical spending limits under Bylaw 320 section 15.6.

See pages 4, 5, 12, and 13 of the nomination package.
