

# **Academic Policy and Process Review Task Force**

## **Undergraduate Student Application**

APPRTF is an advisory committee chaired by the Provost of the University that reviews rules and processes that require review on campus.

### **About**

The University of Alberta has amassed a number of academic policies and processes related to undergraduate and graduate programs for students. For many of these regulations, there is no formal review process to ensure continued effectiveness, appropriateness or relevance. The perception by members of the University community is that some of these policies and processes, as they apply to students, are unnecessarily restrictive, no longer appropriate and/or confusing.

The Students' Union is looking for three (3) undergraduate students to serve as members of APPRTF. The committee meets for 2 hours each month, and consists of a number of university officials.

### **Eligibility**

Qualifications include being a fee-paying Students' Union member, interest in University issues, and experience in advocacy-related fields.

### **How to Apply**

Applications for APPRTF are due on September 20 at 5:00 PM. Submit a one-page letter of interest and the contact information for one reference via email to [vp.academic@su.ualberta.ca](mailto:vp.academic@su.ualberta.ca).

We thank all candidates for their interest, but only shortlisted applicants will be contacted.
