**Bill #5 - Students’ Council Legislative and Committee Structure Reform - First Reading**
HOWIE/CHRISTENSEN MOVED to approve the first reading of Bill #5, on the recommendation of Bylaw Committee, based on the below, amended first principles, following the referral to Bylaw Committee on Nov. 21.

First Principles \textit{(Amended Nov. 28, 2017)}:

1. Bylaw 100 is the premiere piece of legislation of Students’ Council, housing much of the administrative and operational regulations of the body.
2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of bylaws, political policies, and the budget that are described in Students’ Council’s standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.
3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.
4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.
5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.
6. In light of DIE Board Ruling 2017-02, there is a lack of clarity surrounding the timing of the start up meeting and first meeting of Students’ Council as defined in Bylaw 100.
7. Bylaw 100 shall be amended to allow the startup meeting to occur anytime within April.
8. Bylaw 100 shall be amended to relax the mandated timing of the first meeting of each Students’ Council term from before May 7 to before May 15 of each year.
9. In light of recent discussions surrounding committee structure, four new categories of committees will be defined with definitions including, but not limited to:
   a. “Legislative” committees
i. Committees whose mandate include a delegated, legislative function of Students’ Council.
   1. Audit, Bylaw, Policy, Council Administration, Finance, and Nominating Committee shall be reclassified as “Legislative” committees.

ii. These committees shall have a closed membership of only elected members of Students’ Council or Designates.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall remain in Bylaw 100.

v. These committee shall only be created or eliminated through two readings of Students’ Council amending Bylaw 100.

b. “Oversight” committees

   i. Committees whose mandate include providing recommendations on internal and external Students’ Union policies and providing guidance, advice, oversight, or other information to the organization on a general topic.

   ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

   iii. These committees shall be recurring.

   iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

   v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council.

   vi. These committees shall only be eliminated by two majority votes of Students’ Council amending the Bylaw 100 Schedule B at two separate meetings occurring not less than one week apart.

c. “Ad hoc” committees:

   i. Committees whose mandate is narrow surrounding a particular topic, initiative, project, or investigation.
ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. Expire at a designated time not to exceed 1 year.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, formalized, eliminated or renewed by a simple majority vote of Students’ Council or the Executive committee.

vi. Ad hoc committees may also be referred to as “task forces.”

d. "Operational" committees:

i. Committees whose mandate is to serve a specific operational function of the Students’ Union.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council or the Executive committee.

vi. These committees shall only be eliminated by a simple majority vote of Students’ Council or the Executive Committee.

10. The definition of “standing committee” shall be eliminated.

11. Under the new classification, all formalized committees shall be eligible for the administrative support of Discover Governance or the Students’ Union, as needed.

12. The current “Bylaw 100 Schedule” shall be renamed “Bylaw 100 Schedule A”.

13. A new “Bylaw 100 Schedule B” shall be created.

HOWIE: Described the updated Bill #5 having incorporated feedback as per its referral. Noted points nine through thirteen are those which have been amended as they were areas of central contention. Noted the updated Bill renamed committees
and increased the requirement for dissolving oversight committees. Established that all committees have the same powers to represent students.

SUNDAY: Expressed concern over the differentiation between legislative and oversight committees. Suggested the fact both committees have the same powers is proof no differentiation is required. Noted Bylaw 100 does not explicitly prohibit the participation of students at large. Advanced the Bill unfairly excludes Aboriginal Relations and Reconciliation Ad Hoc Committee. Expressed concern about the insubstantial consultation done with Aboriginal students.

CHRISTENSEN: Affirmed that the differentiation is designed to allow for larger, community-based committees to be instituted with ease. Noted the classification framework allows for the engagement of any specific group as interest-groups can form into an oversight committee.

SCOTT: Noted the designation of ad-hoc and operational committees is valuable. Suggested the legislative and oversight classifications are unnecessary. Urged Students' Council to engage more broadly with marginalized students.

PACHES: Identified the classification framework as a means of recognizing formerly unofficial committees. Noted the Bill provides pathways for consultation and acts as a toolbox for direct governance.

USHAKOV/CHRISTENSEN MOVED to call the motion to question.
16/0/15 - FAILED.

USHAKOV/SORENSEN MOVED to extend the meeting by half an hour.
16/0/15 - FAILED.

BROPHY: Suggested there is a substantive difference in mandate between legislative and oversight committees. Noted legislative committees (Finance/CAC/Audit) have specific tasks to fulfill whereas oversight committees (ARRC, Policy) are issue-based.

PIASECKI: Advanced the categorization of Aboriginal Relations and Reconciliation Ad Hoc Committee as the single and only oversight committee is contrary to the spirit of reconciliation.
HOWIE/CHRISTENSEN MOVED to call the motion to question.
14/0/18 - FAILED.

SCOTT/ROKESEN MOVED to extend the meeting by five minutes.
18/0/12 - FAILED.

(Meeting time expired, 2017-14/7d postpone debate for next meeting).

2017-14/7e  Bill #6 - The Social and Environmental Responsibility Committee Restructuring -
Second Reading

CHRISTENSEN/PACHES MOVED to approve the second reading of Bill #6, on the
recommendation of Bylaw Committee, based on the following first principles.

1. The Social and Environmental Responsibility Committee (SERC) historically
   was a committee of the Students’ Union executive.
2. Formally, the committee no longer functions as part of the Students’ Union
   executive and continues to exist as a unregulated committee of the
   Students’ Union proper.
3. Bylaw 1100 shall be amended to remove The Social and Environmental
   Responsibility Committee as a formal part of the Students’ Union executive.

Please see SC-2017-14.10 for second reading wording changes.

(Meeting time expired, 2017-14/7e postpone debate for next meeting).
