

STUDENTS' COUNCIL

Tuesday, January 19, 2021 7:00PM Zoom

We would like to respectfully acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

STUDENTS' COUNCIL

Tuesday, January 12, 2021 6:00PM Zoom

We would like to respectfully acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

2020-19/5 OPEN FORUM

PAWLUK: Inquired as to what advocacy measures the SU utilised in advocating that the University preserve the now abolished uPass subsidy.

KRAHN: Responded that the SU confirmed that the University could no longer afford to offer the subsidy. Clarified that University Parking Services revenues supported the subsidy and that these were significantly reduced as a result of the COVID-19 closure of Campus. Noted that the University has committed to prioritising students needs with whatever funding they can within the ancillary service budget.

YABUT: Inquired to as to how the SU will continue empowering marginalised communities of black, Indigenous, lesbian, gay, bisexual, and transgender persons.

KIDD: Responded that the Equity, Diversity, and Inclusivity Task Force is consulting with students. Noted that the SU will target marginalised communities in its mental health resource information campaign.

DRAPER: Responded that he is offering a session on equity, diversity, and inclusivity at the SU's upcoming Alberta Student Leader Summit to which students and councillors are invited to attend. Considered that the micro-credentials offered to attendees will help marginalised persons secure employment.

KRAHN: Responded that the Governance Restructuring Task Force is addressing how to support these communities within the structure of Council.

LEY: Responded that the SU is advocating for front and non-repayable grants for students in need. Noted that this measure will help more low income and recent immigrant students to access education.

KIDD: Responded that the SU offers the Indigenous Leadership Program that seeks
to strengthen leadership processes in alignment with Indigenous world views.
